STMC SPORT SPONSORSHIP EXPRESSION OF INTEREST

Since 1974, St Thomas More College has built a strong tradition and culture in education and in the sporting arena. A student's participation in sport is an important component of the well-rounded educational experience offered at St Thomas More College. The College's sports program offers all students the opportunity to participate and compete in a variety of sports, at all levels, from the recreational sports person through to the elite athlete.

As part of our sports program, we have many teams who compete at state-wide school competitions including basketball, football (soccer), rugby league, netball, touch football, and volleyball. St Thomas More College has established a proud tradition and presence in these competitions (which are regarded as the best of their kind in the state), and our continued success is the result of our dedicated players, coaches, support staff, school community, and the generous support of our sponsors.

Participation in competitions of this standard is a wonderful opportunity for our students to continue the proud sporting traditions of St Thomas More College and develop their skills and sportsmanship. To enable our students to participate at a reasonable cost to their families, we are seeking the support of our community and organisations to sponsor our involvement in these events. In 2026, sponsorship funds will be used to assist with the costs of transport, accommodation, and the provision of team kits and equipment.

The benefits of sponsoring STMC Sport have many facets, including:

- Exposure to a school community of over 1100 students and families as well as many more past students and families.
- Extensive brand awareness via many avenues including our STMC Facebook Page which has 4.5K followers, an average monthly reach of 23K unique accounts, and over 251K views each month.
- Recognition of the partnership between your company and St Thomas More College.
- Capacity to advertise your business and opportunity to increase revenue possibilities.
- Opportunity to assist St Thomas More College students achieve their full potential.

We are delighted at the opportunity to make you a part of the St Thomas More College community and would like to invite you to consider becoming one of our sponsors in 2026. Our greatest strengths are the partnerships we forge between students, staff, parents, and the wider community. These partnerships enable us to build on the strengths of tradition and performance and to live out our values and our commitment to the provision of excellent educational and sporting opportunities for our students. Attached is a range of sponsorship options.

If you would like to discuss sponsorship of STMC Sport, please contact Mr Stephen Undery, Program Leader – Sport on (07) 3323 4600 or sundry1@stmc.qld.edu.au

Yours sincerely,

Mr Les Conroy
Principal

Mr Stephen Undery
Program Leader - Sport
