

## STMC Bus Services

St Thomas More College operates five bus runs, to local areas, for student transportation. The schedule of bus services are available at the following link: [STMC Bus Routes 2025](#).

**The cost of the service is \$210 per student per term which will be added to your school fees.**

Bus passes will be issued to students after payment has been received (students will be notified when passes are available for collection). Students will be expected to carry a bus pass when using the services.

Due to the expected maximum of seating being allocated on each bus, we are unable to accommodate students using more than one service.

**Students can use STMC bus services without a pass initially, although this will be an expectation by Week 3 of each Term.**

Please email the office on [enrolments@stmc.qld.edu.au](mailto:enrolments@stmc.qld.edu.au) regarding bus use for your student as places are limited.

## Bus Queensland – Park Ridge Transit

Provides services from Park Ridge/Browns Plains/Calamvale areas. Students are required to organise a Go Card for payment of these services.
